SESE – Science/History/Geography

Activity: Continue working on any project work that you might have started. Don't forget, we are living through history right now, so why not do a mini project on what is happening right now! Look at what is happening around you, collect information and record what life is like during this time. Talk about all the positive or good things that has come from this. Some of these might include spending more time with your families, going on nice walks in your local area, sending letters to your friends or anything else that you are grateful for. 😊

Art

Create your own shield. Using a paper plate, cardboard or paper, design and create your own shield. Use your favourite colours and be careful when using the scissors! (Ask an adult for help) Be creative and have fun! If you want to show us the great artwork that you have made, please send them to firstclassdonacarney@gmail.com We would love to see them!

See examples below.
